

User Guide : ACM Digital Library

ACM Digital Library is the full-text repository published in the computing field and serves the computing profession with leading-edge publications, conferences, and other career resources. It covers Core Package of 39 titles published by (ACM) Association of Computing Machinery.

Home Page

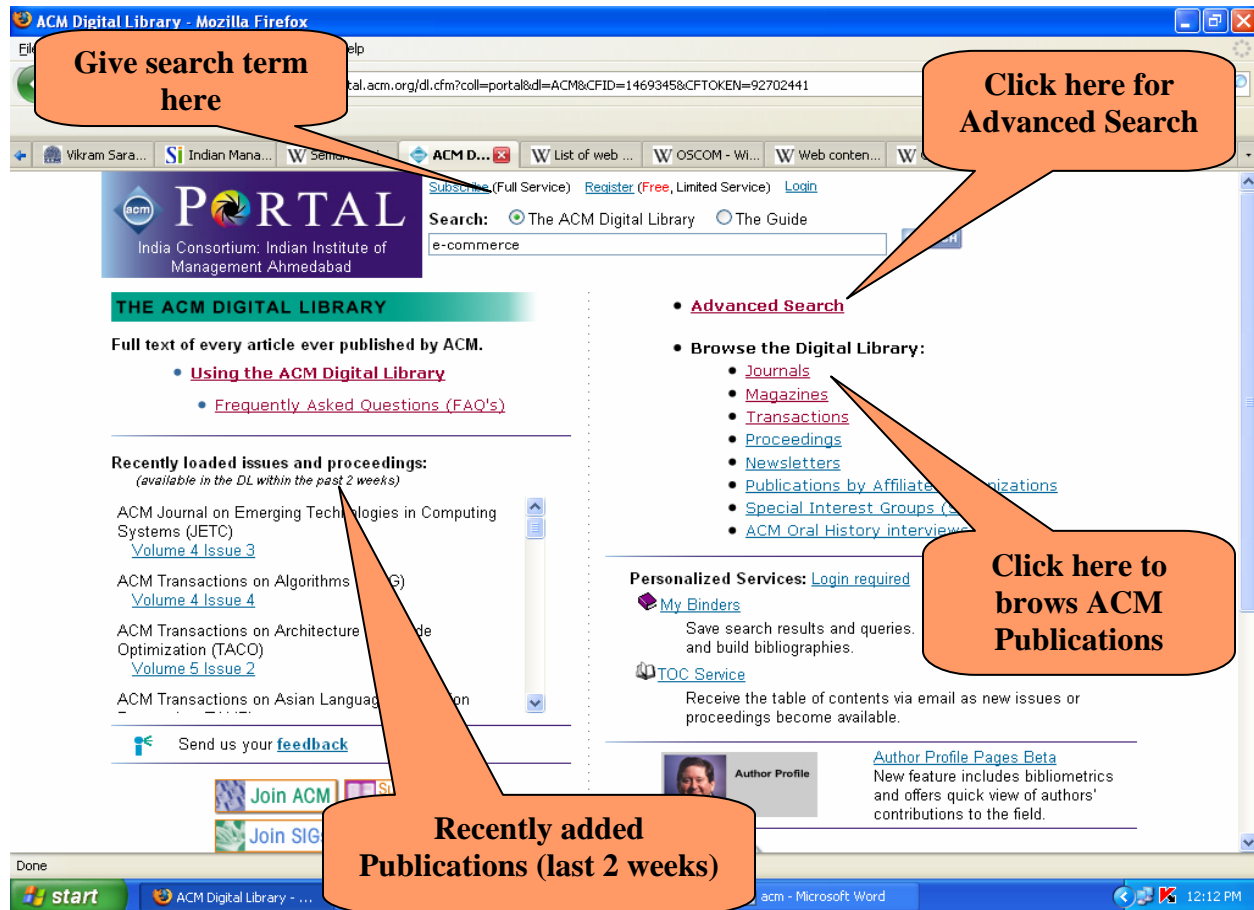

There are two default tabs on the top of search box.

1. **The ACM Digital Library:** Its full text collection of every article published by ACM, including over 50 years of achieves.
2. **The Guide to Computing Literature:** Its bibliographic collection from major publishers in computing with over one million entries.

Select first tab to search full text publication of ACM.

The ACM Digital Library search page

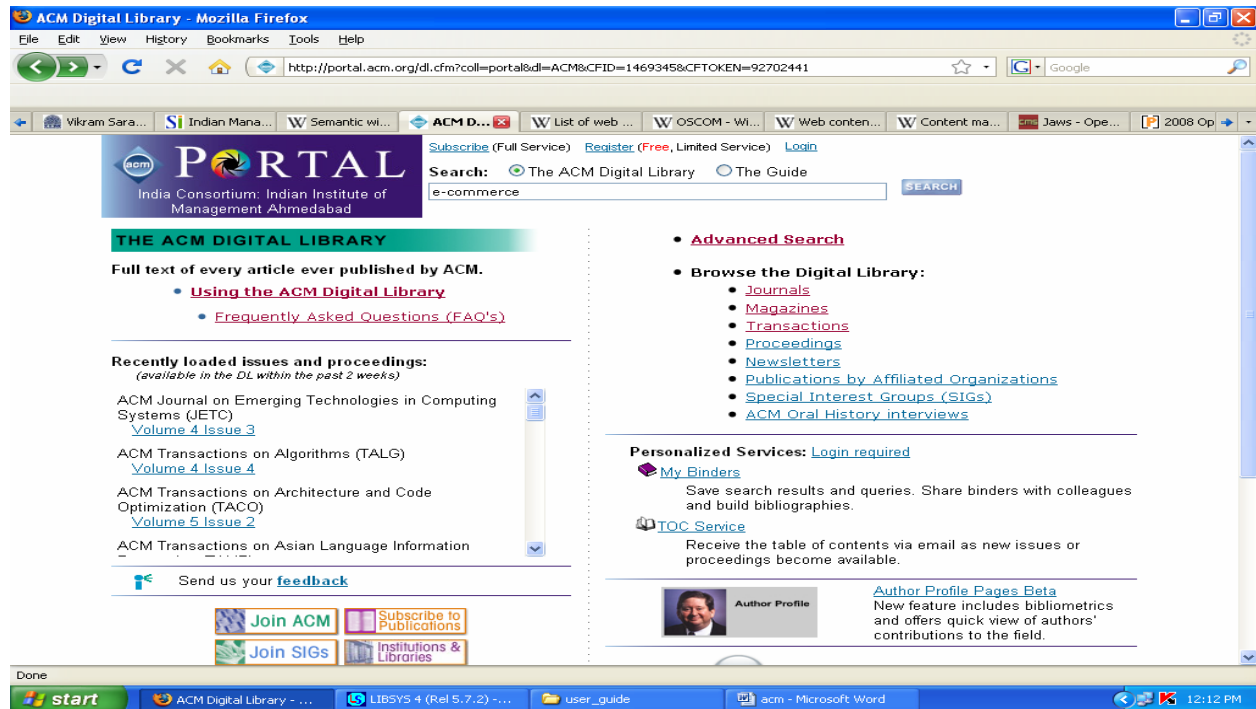

The screenshot shows the ACM Digital Library search page in a Mozilla Firefox browser. The page features a search bar at the top with a dropdown menu showing "The ACM Digital Library" and "The Guide". Below the search bar, there are several sections: "THE ACM DIGITAL LIBRARY" with a description and links to "Using the ACM Digital Library" and "Frequently Asked Questions (FAQ's)"; "Recently loaded issues and proceedings:" with a list of publications including "ACM Journal on Emerging Technologies in Computing Systems (JETC)", "ACM Transactions on Algorithms", "ACM Transactions on Architecture and Optimization (TACO)", and "ACM Transactions on Asian Language Information Systems"; "Advanced Search" link; "Browse the Digital Library:" with links to "Journals", "Magazines", "Transactions", "Proceedings", "Newsletters", "Publications by Affiliated Organizations", "Special Interest Groups (SIGs)", and "ACM Oral History interviews"; "Personalized Services:" with links to "My Binders" and "TOC Service"; and "Author Profile Pages Beta" with a description of the new feature. Three callout boxes are present: one pointing to the search bar with the text "Give search term here", one pointing to the "Advanced Search" link with the text "Click here for Advanced Search", and one pointing to the "Recently loaded issues and proceedings:" section with the text "Recently added Publications (last 2 weeks)".

Here, user will find:

- Simple search box to search ACM
- Advance search link
- Categories of ACM publications i.e. journals, magazines, transactions, proceedings, newsletters.
- Recently loaded issues and proceedings (within past two weeks).

Simple Search (Keyword: e-commerce)

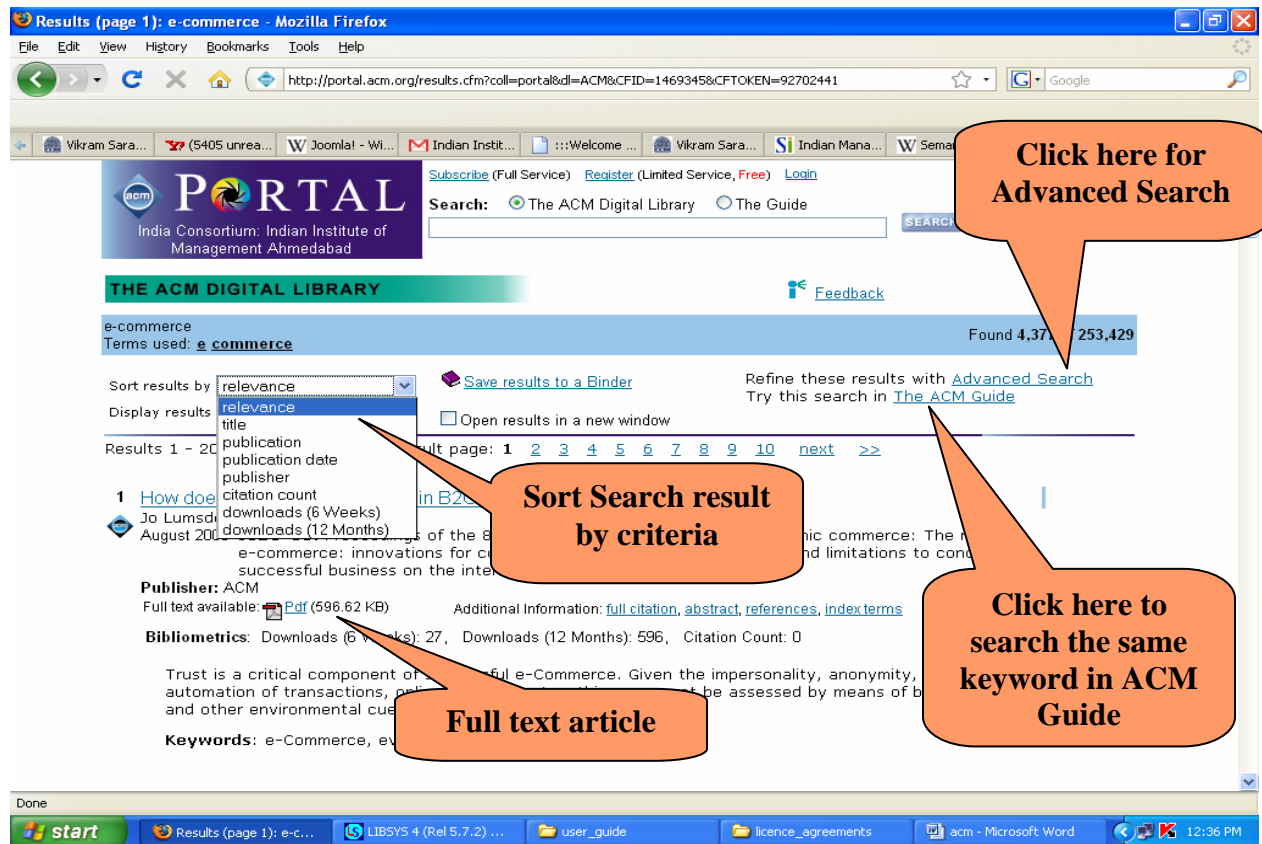

Simple Search: Give any term/keyword of your choice to search. Make sure that you have selected appropriate tab given above the search box.

For example we give keyword *e-commerce* following result will be displayed.

Simple Search (continue...)

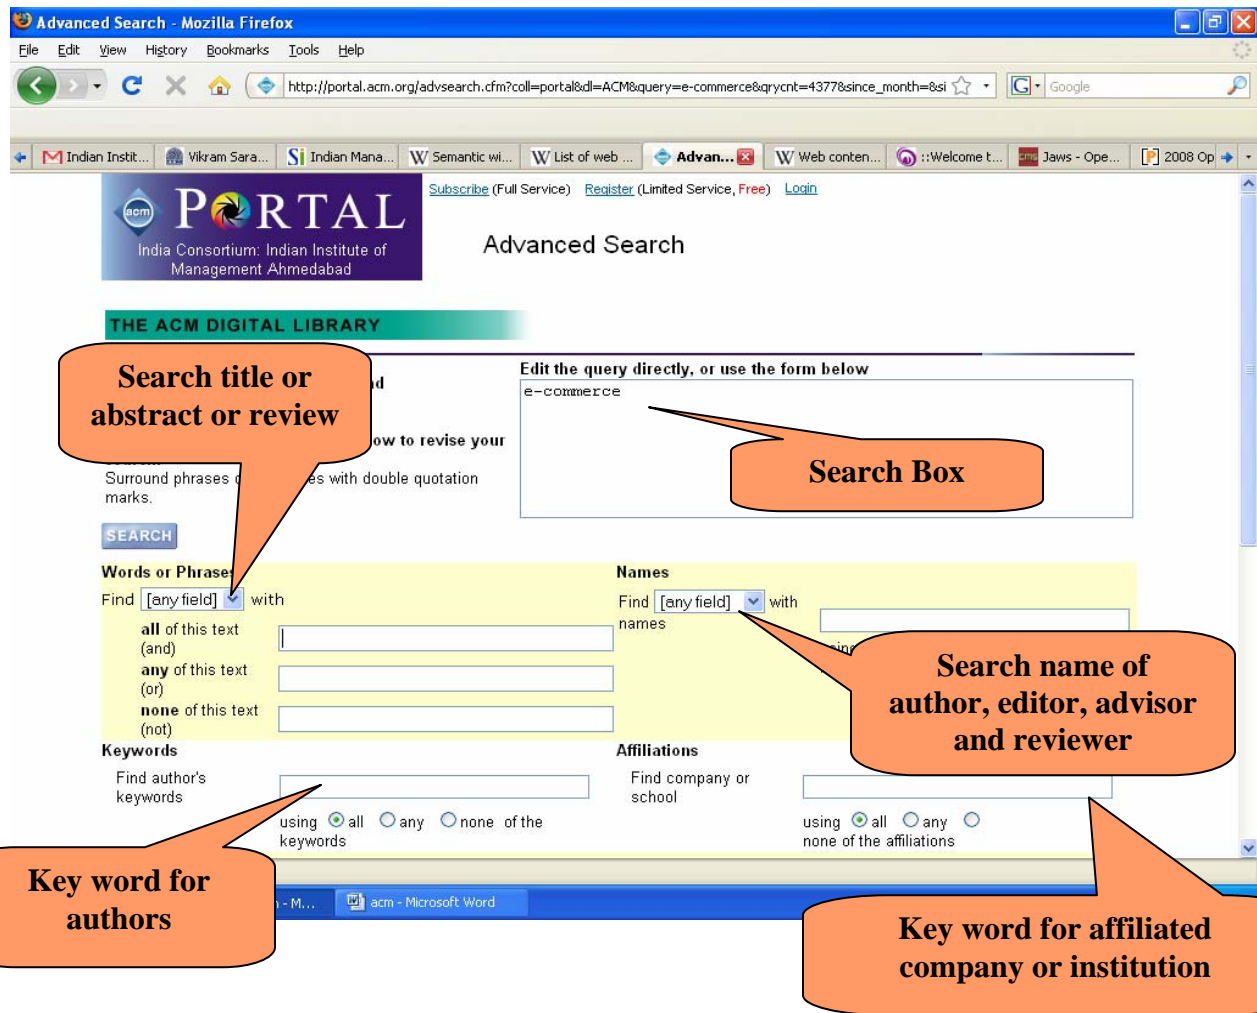

The screenshot shows the ACM Digital Library search results for the keyword 'e-commerce'. The page displays a search bar, a list of results, and various navigation options. Callouts highlight key features: 'Click here for Advanced Search' points to the 'Advanced Search' link; 'Sort Search result by criteria' points to the dropdown menu for sorting results; 'Full text article' points to the PDF icon for the first result; and 'Click here to search the same keyword in ACM Guide' points to the 'The ACM Guide' link.

Here, user will find:

- **Sort Search result:** Here few options are given to sort search like relevance, title, publication date, publisher, citation count, number of downloads.
- PDF link for full text article
- Advanced Search option to refine the search
- Link to switch over search on ACM Guide

Advanced Search

The screenshot shows the ACM Portal Advanced Search page. The browser title is "Advanced Search - Mozilla Firefox". The URL is http://portal.acm.org/advsearch.cfm?coll=portal&dl=ACM&query=e-commerce&qrycnt=4377&since_month=&si. The page features the ACM Portal logo and the text "India Consortium: Indian Institute of Management Ahmedabad". Below the logo, there are links for "Subscribe (Full Service)", "Register (Limited Service, Free)", and "Login". The main heading is "Advanced Search".

The search interface includes a search box at the top with the text "e-commerce". Below it, there are several search options:

- Words or Phrases:** Find [any field] with [all of this text (and), any of this text (or), none of this text (not)].
- Names:** Find [any field] with [names].
- Keywords:** Find author's keywords using [all, any, none of the keywords].
- Affiliations:** Find company or school using [all, any, none of the affiliations].

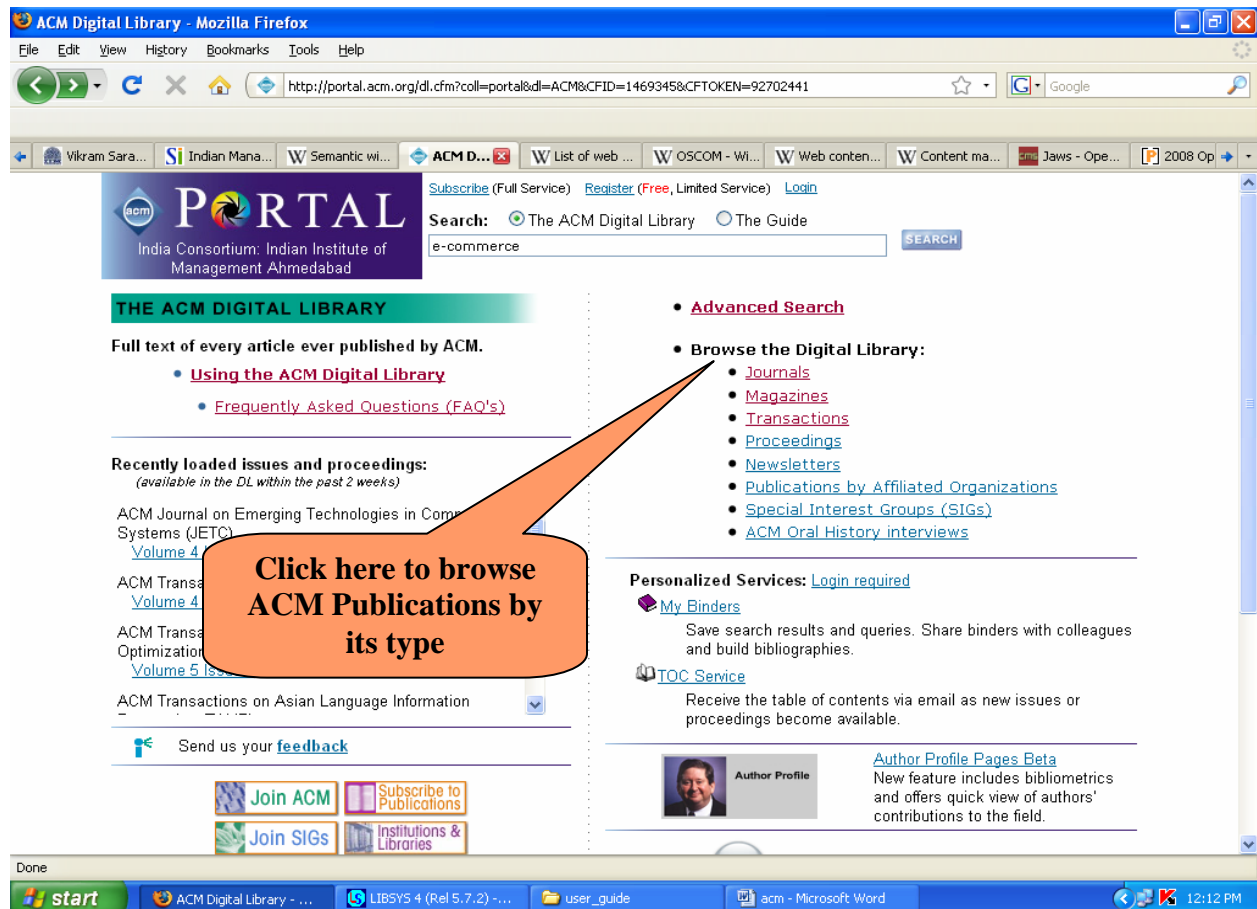

Callouts explain the search options:

- Search title or abstract or review:** Points to the "Words or Phrases" section.
- Search Box:** Points to the search input field.
- Search name of author, editor, advisor and reviewer:** Points to the "Names" section.
- Key word for authors:** Points to the "Keywords" section.
- Key word for affiliated company or institution:** Points to the "Affiliations" section.

Here, user will find multiple options like:

- Search from title, abstract or review
- Search by name of author, editor, advisor and reviewer
- Search by company or institution
- Link to switch over search on ACM Guide

ACM Journals:

- [ACM Computing Surveys \(CSUR\)](#)
- [ACM Journal of Computer Documentation \(JCD\)](#)
- [ACM Journal on Emerging Technologies in Computing Systems \(JETC\)](#)
- [Journal of Experimental Algorithmics \(JEA\)](#)
- [Journal of the ACM \(JACM\)](#)
- [Journal on Computing and Cultural Heritage \(JOCCH\)](#)
- [Journal on Educational Resources in Computing \(JERIC\)](#)

ACM Magazines:

The screenshot shows the ACM Portal website in a Mozilla Firefox browser. The page title is "ACM DL: Magazines - Mozilla Firefox". The address bar shows the URL: http://portal.acm.org/browse_dl.cfm?linked=1&part=magazine&coll=portal&dl=ACM&CFID=1589398&CFTOKEN. The page features a search bar with the text "Search: The ACM Digital Library" and a "SEARCH" button. Below the search bar, there is a section titled "THE ACM DIGITAL LIBRARY" with a "Feedback" link. The main content area has a search bar with the text "Search within the ACM Magazines:" and a "SEARCH" button. To the right of the search bar, there is a callout box that says "Advanced Search option". Below the search bar, there is a list of magazine categories under the heading "Browse the ACM Magazines:". The categories are: Communications of the ACM, Computers in Entertainment (CIE), Crossroads, Queue, StandardView, Ubiquity, eLearn, intelligence, interactions, and netWorker. A second callout box points to the "Advanced Search" link and says "Search from 10 ACM magazines ONLY". At the bottom of the page, there is a footer that reads: "The ACM Portal is published by the Association for Computing Machinery. Copyright © 2008 ACM, Inc. [Terms of Usage](#) [Privacy Policy](#) [Code of Ethics](#) [Contact Us](#)". The taskbar at the bottom shows the Windows Start button and several open applications: "ACM DL: Magazines - ...", "acm - Microsoft Word", and "indiatat.com: Reveal...". The system clock shows "11:40 AM".

ACM Magazines:

- Communications of the ACM
- Computers in Entertainment (CIE)
- Crossroads
- Queue
- StandardView
- Ubiquity
- eLearn
- intelligence
- interactions
- netWorker
