

# Import/Export Companies Stock Data in CRSP Stock/Security

Login to CRSP Stock/Security and select your required data module.

The screenshot shows the Wharton WRDS website interface. The top navigation bar includes the Wharton University of Pennsylvania logo, the 'wrds' logo, and the text 'WHARTON RESEARCH DATA SERVICES'. There is a search box labeled 'Search WRDS' and navigation links for 'Get Data', 'Analytics', and 'Classroom'. Below the navigation bar, a breadcrumb trail reads: 'Home / Get Data / CRSP / Annual Update / Stock / Security Files'. The main content area is titled 'Stock / Security Files' and contains a list of data modules: 'Daily Stock File', 'Monthly Stock File', 'Stock Header Info', 'Stock Market Indexes', and 'U.S. Daily Event Study: Upload your own ...'. A red box highlights the breadcrumb trail and the main content area.

Select your required date range.

The screenshot shows the Wharton WRDS website interface for the 'CRSP Daily Stock' page. The top navigation bar is identical to the previous screenshot. The breadcrumb trail is: 'Home / Get Data / CRSP / Annual Update / Stock / Security Files / Daily Stock File'. The main content area is titled 'CRSP Daily Stock' and features a navigation menu with tabs: 'Query Form', 'Variable Descriptions', 'Manuals and Overviews', 'Knowledge Base', and 'Data Preview'. Below the menu, the text 'CRSP Daily Stock' is displayed, followed by the instruction 'Step 1: Choose your date range.' and the label 'Date Variable:'. A date range selection form is shown with the start date '2000-01-01', a 'to' separator, and the end date '2022-03-31'. A red box highlights the main content area.

## Click on Code Lookup

### Step 2: Apply your company codes.

What format are your company codes?

TICKER  PERMNO  PERMCO  CUSIP  NCUSIP  HSICCD  SICCD

Select an option for entering your company codes:

Company Codes  Code List Name

Please enter company codes separated by a space.  
Example: IBM MSFT AAPL

[ Code Lookup: CRSP Stock (Annual) ]

-----Select Saved Codes List-----

Choose from your saved code lists.

Browse... Company Codes Upload File

Upload a plain text file (.txt), having one code per line.

Search the entire database

This method allows you to search the entire database of records. Please be aware that this method can take a very long time to run because it is dependent upon the size of the database.

Search for the required companies one by one and add a ticker or other codes.

After adding all company codes, click on Add Attribute Codes to Query.

wrds-www.wharton.upenn.edu/attribute-search/?product\_id=107&attribute\_type\_map=5|TICKER,27|PERMNO,28|PERMCO,7|NCUSIP,11|SICCD

F F B CORP

The **WRDS Attribute Search** helps you find attributes (such as company identifiers and names, incorporation information, and addresses) about entities (such as companies, indexes, and funds).

1. Start by entering a search term.
2. After the results are displayed, click on identifiers to add them to your list.
3. Last, choose whether to insert your selections into your web query or to download them as a text file.

If you need more help, take a moment to read the full step-by-step instructions to using this tool, including a complete list of identifiers available.

Your search returned 1 results.

CUSIP FULL	ENTITY NAME	FIRST DATE	LAST DATE	PERMCO	PERMNO	TICKER
30291310	F F B CORP	19860620	19880501	8319	75503	FFCT

Showing 1 to 1 of 1 entries  
Here are your codes. Use the ✕ next to any item to remove it from your list.

✕ ADT ✕ MPIN ✕ FFCT

If you wish to import the company codes list, Select the Browse option to upload the company code text file.

## Step 2: Apply your company codes.

What format are your company codes?

TICKER  PERMNO  PERMCO  CUSIP  NCUSIP  HSICCD  SICCD

Select an option for entering your company codes:

Company Codes

Code List Name

Please enter company codes separated by a space:

Save this code list to Saved Codes

Example: IBM MSFT AAPL

[ Code Lookup: CRSP Stock (Annual) ]

-----Select Saved Codes List-----

Choose from your saved code lists.

Browse... Company Codes Upload File

Upload a plain text file (.txt), having one code per line.

Search the entire database

This method allows you to search the entire database of records. Please be aware that this method can take a very long time to run because it is dependent upon the size of the database.

Select your required indicators

## Step 3: Choose query variables.

*How does this work?*

Q Search All 8/61 Identifying Information 0/20 Time Series Information 8/10 Share Inf

Select <input checked="" type="checkbox"/> All (2)	Selected <input type="checkbox"/> Clear All (8)
<input type="radio"/> Holding Period Return (ret) ?	<input checked="" type="checkbox"/> Price (prc)
<input type="radio"/> Return without Dividends (retx) ?	<input checked="" type="checkbox"/> Open Price (openprc)
