ASCE Library

ASCE Library delivers the most respected and richest collection of civil engineering content. It is the premier information clearinghouse for both researchers and practitioners in the field of civil engineering.
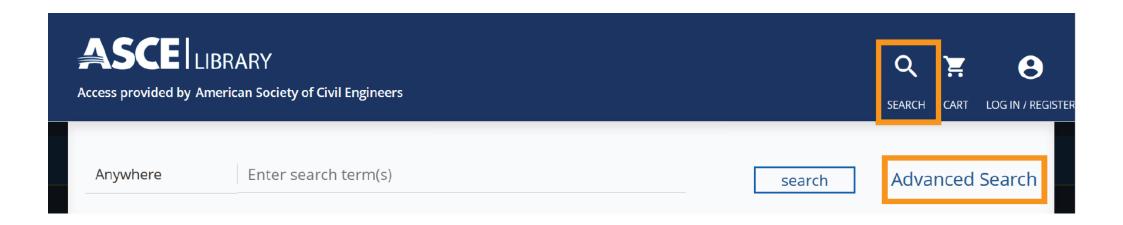

Features

1. Register

As a registered user, you can get benefits such as free papers, content alerts, and saved search alerts, and take advantage of the tools offered by ASCE Library to streamline your research. Click on the "Log in / Register" link and "Register" on the pop-up.

2. Search On Any Page

Click the "Search" link on any page while using ASCE Library. You may also click on the "Advanced Search" link to specify author, article type, publications, publication year, and/or where in the article the search term appears to get a more targeted result.
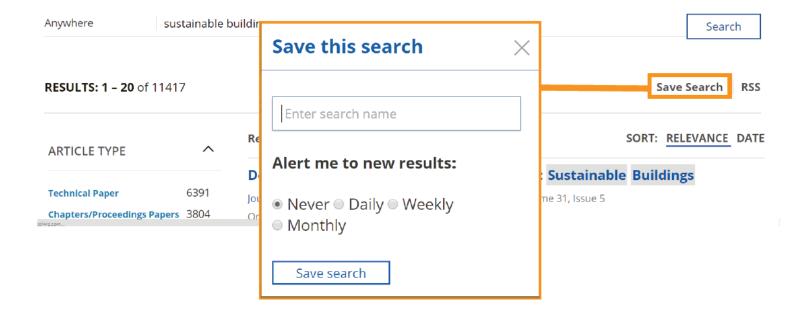

3. Saved Search

Save your search criteria and set up a monthly, weekly, or daily e-mail alert telling you when new material in your interest area is added to the Library. You can view your saved searches in "My Profile" by clicking on "Saved Searches" in the left-hand navigation bar.
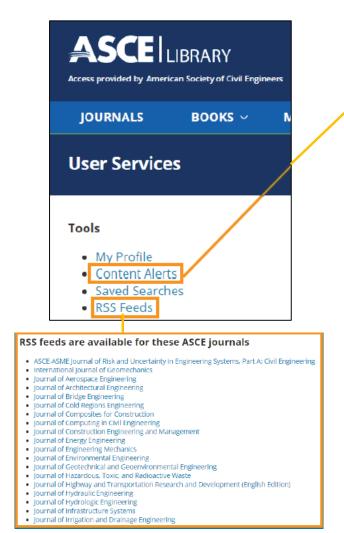

4. Get Content Alerts & RSS Feeds

Get instant updates whenever new journal content and new books are available. In the "User Services" section, click on "Alerts" on the left-hand navigation bar to sign up for e-mail alerts for journals and books. Click on "RSS Feeds" to subscribe to feeds for journals.
