

InfralineEnergy™

Solution Driven

Product Introduction

Coal Sector Knowledge Base

India's most referred Knowledge Base

InfralineEnergy: About Us

- Infraline is India's premier independent provider of research, information and consulting services for energy sector professionals. The focus areas are Power, Oil and Gas, Exploration and Production, Coal, Roads and Renewable Energy
- Products and Services include real time data analysis, presented in an unbiased manner indicating key industry trends and developments which turn are used for effective strategic decision.
- The various product offerings include
 - **Subscriptions:** A wide range of research and analysis products are available as subscription-based products that include reports on Market trends, Opportunities and ongoing areas of current / topical importance.
 - **Consulting and Advisory:** Services are aimed at better understanding of various risks and their mitigation, reducing the time needed to correctly assess an opportunity and supporting operational and strategic corporate decision making.
 - Thought Leadership through **Events and Conferences**

InfraLineEnergy: About Us

- Product Offerings are relevant for Developers, Financiers, Service Providers, Legal and Financial Advisors, Academicians, Government and Regulatory Bodies, Technology Providers, etc.
- Trusted by over 600+ top tier clients over almost a decade
 - **Public Sector:** ONGC, IOC, NTPC, BHEL, HPCL, GAIL, etc
 - **Developers:** Reliance Industries and Reliance ADAG groups, GMR, GVK, Adani, Alstom, Cairn, BP, EDF, ENI, Essar, ExxonMobil, GEECL, GSPC, Hazira LNG, Petronet LNG, Tata Group, etc.
 - **Advisors:** E&Y, PwC, KPMG, Rothschild, Deloitte, Luthra and Luthra, BMR, AT Kearney, BNP Paribas, PFC Energy etc.
 - **Financial Services and Advisory firms:** Morgan Stanley, I-Sec, CLSA, Crisil, Goldman Sachs, ICRA, CARE, Kotak, etc.
 - **Banks and FIs:** Standard Chartered Securities (India) LTD, ICICI, IDFC, IL&FS, SBI, The Bank of Tokyo-Mitsubishi UFJ, Ltd. etc.
 - **Academic Institutions:** IIMs (Allahabad, Kashipur), PDPU Gandhinagar, NPTI, Adani Institute of Infrastructure Management, Rajiv Gandhi Institute of Petroleum Technology

What Sets Us Apart?

- **I-Search:** Access India's only dedicated energy sector search engine which acts as One stop solution to your Energy Sector needs
- Advanced Filter options to further tune search results according to 7 different parameters; Sector, Geography, Organization, Year, Project type, Context type and Content type
- India's most trusted, subscribed and referred Knowledge Base on the energy sector
- A massive Compendium of Latest Information across the Value Chain
- Keeps you ahead of the knowledge curve with Daily/ Real time updates
- Archive of twelve years and 50000+ news items
- Highly read and respected 'Daily newsletter' delivered to your inbox early morning
- Get to read the news before your competition in our Just-In section: Up-to-minute details of sectoral developments throughout the day

What Sets Us Apart?

- Live Help to assist you with any query with a quick turnaround time of two hours
- Special data needs answered in the customized format in the quickest possible time under our Research on Demand
- Regular periodic articles and features to give you in-depth analysis and perspective of Industry dynamics
- Benefit from the opinion and knowledge of those who shape the Industry equations through our Industry Connect column
- One point Access for browsing information as well as procuring interest specific reports/conferences/newsletters and knowledge bases on the particular sector
- Gain exclusive information on topics like natural gas based projects, pipelines, profiles of major players, demand and supply scenario, market prices etc.

Coal Demand and Supply

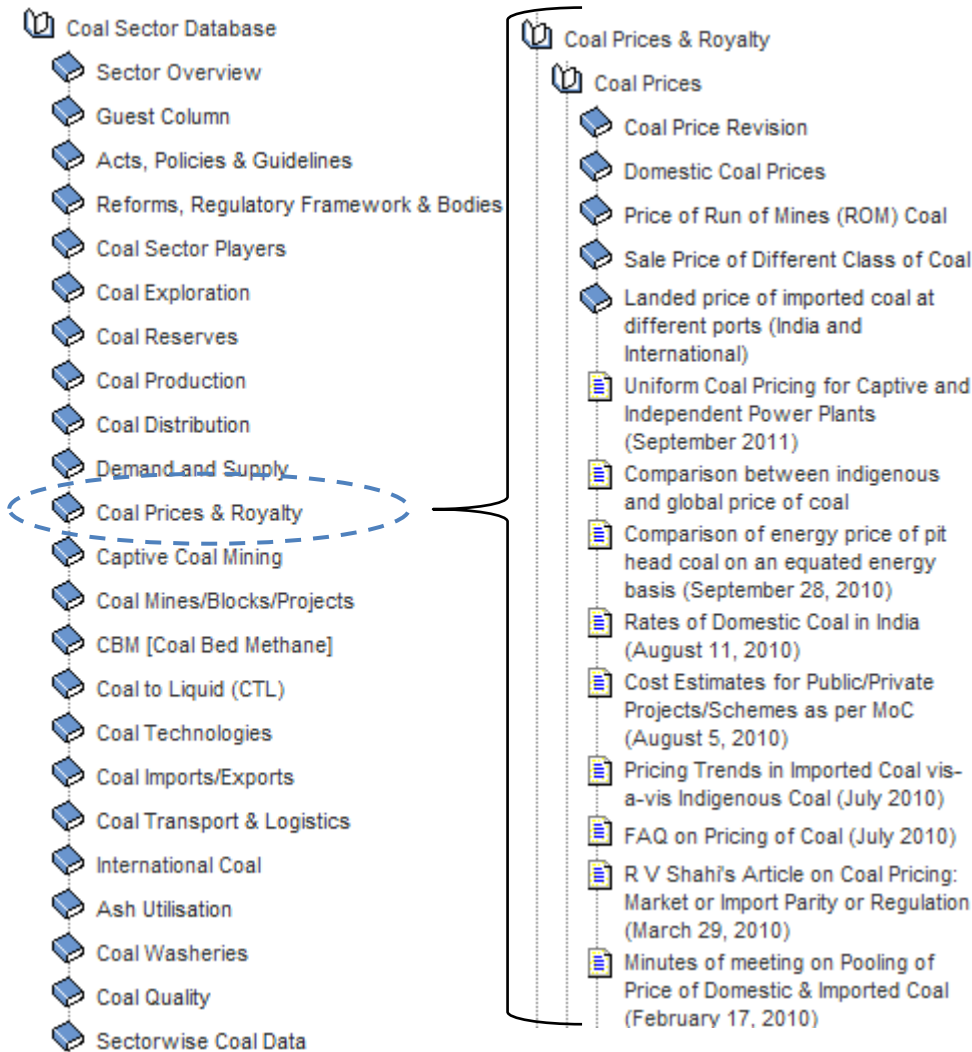

Highlights:

- Gives details of Company wise/ Month wise Off take of Coal
- Demand and Off take of coal from various sectors such as power, cement, etc
- Trend and Projection of Coal Requirement and Availability
- Lignite Demand
- Trend of coal consumption by various sectors
- Year wise shortage of Coal Supply
- Review of Coal Supply by Infrastructure Constraints Review Committee
- Month wise, Company wise and Sector wise Coal Dispatches

Coal Prices and Royalty

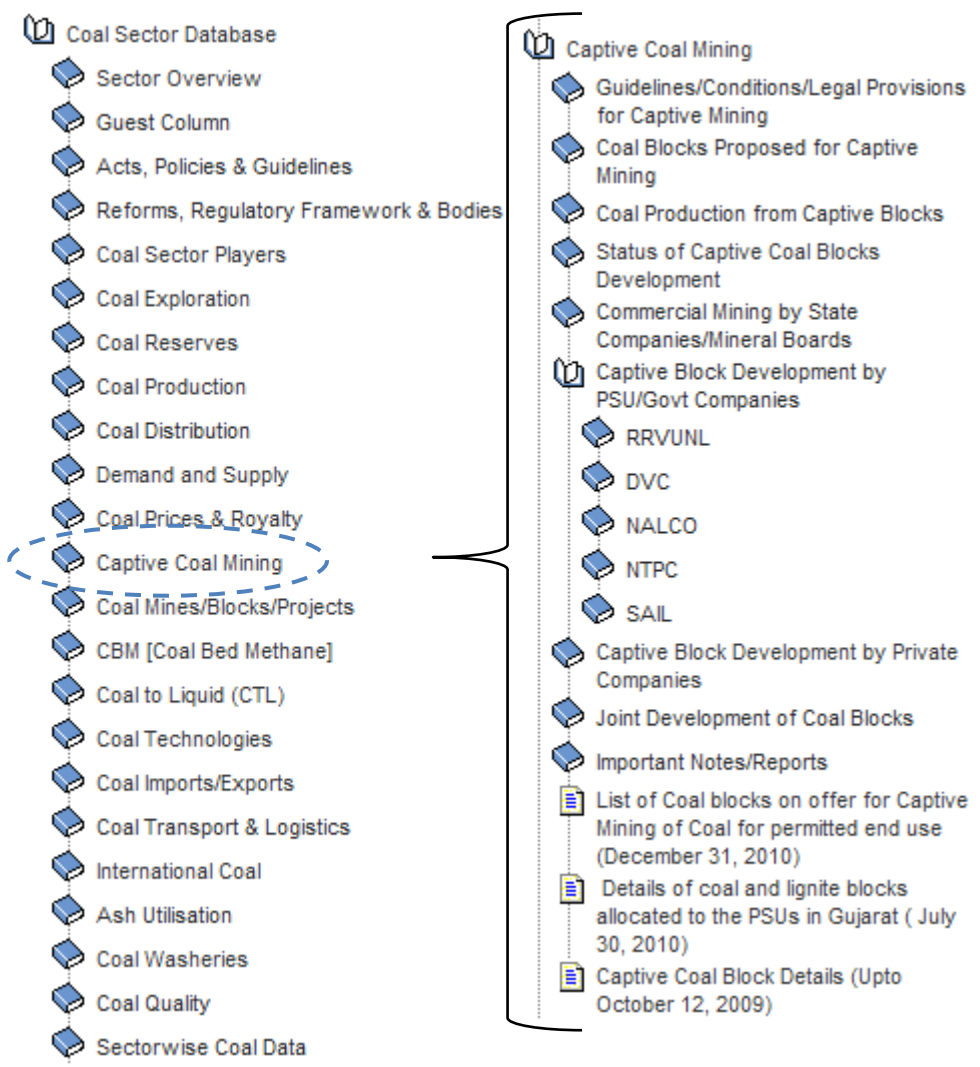

Highlights:

- Company wise and grade wise Price of domestic coal
- Coal prices from different coal fields
- Subsidiary wise and grade wise increase in ROM-Coal Prices
- Regular updates on coal price revision
- Price of Run of Mines (RoM) coal
- Sale Price of coking and non-coking coal
- Details of state wise royalty
- Revision of Royalty Rates of Coal and Lignite

Captive Coal Mining

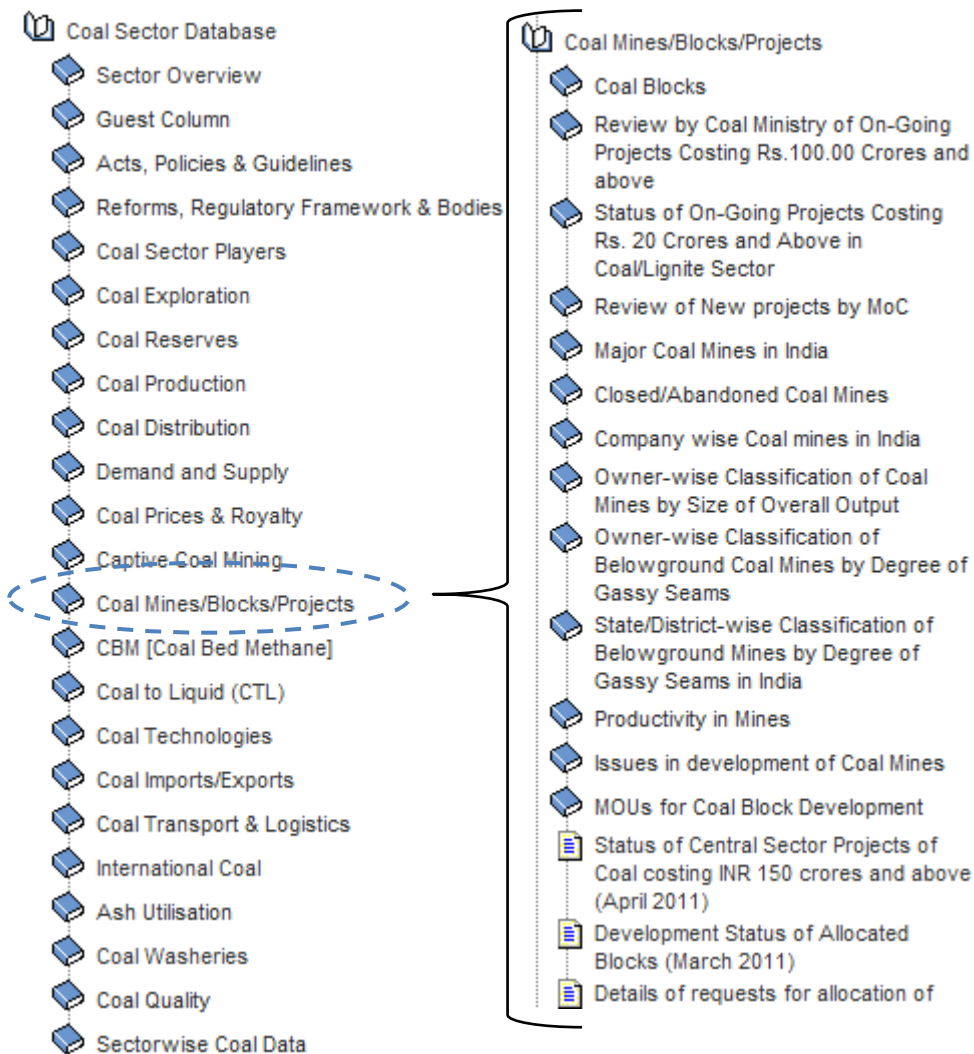

Highlights:

- Detailed Profile of 300+ Captive Coal Blocks classified according to
- State Companies/ Mineral Boards, PSU, Private and Joint ventures
- Each Block gives critical details such as Promoter and Location details , status of clearances, mine capacity, reserves, grade of coal, lease area, Production year, estimated cost, etc
- Guidelines and Legal Provisions for Captive Mining
- Classification of blocks based on status of development such as 'Proposed, Allocated, served show cause notice, de-allocated

Coal Mines/Blocks/Projects

Highlights:

- Detailed Status of Coal Blocks and Review by Ministry of Coal
- Company wise coal mines in India
- State wise and Promoter wise classification of coal mines by size of overall output and degree of gassy seams
- Production from Coal mines
- Issues in the development of coal mines
- MoUs for Coal Block development
- Development Status of Allocated Blocks
- State wise details of requests for allocation

Sample Profile: Coal Block

200+ Captive Block Profiles

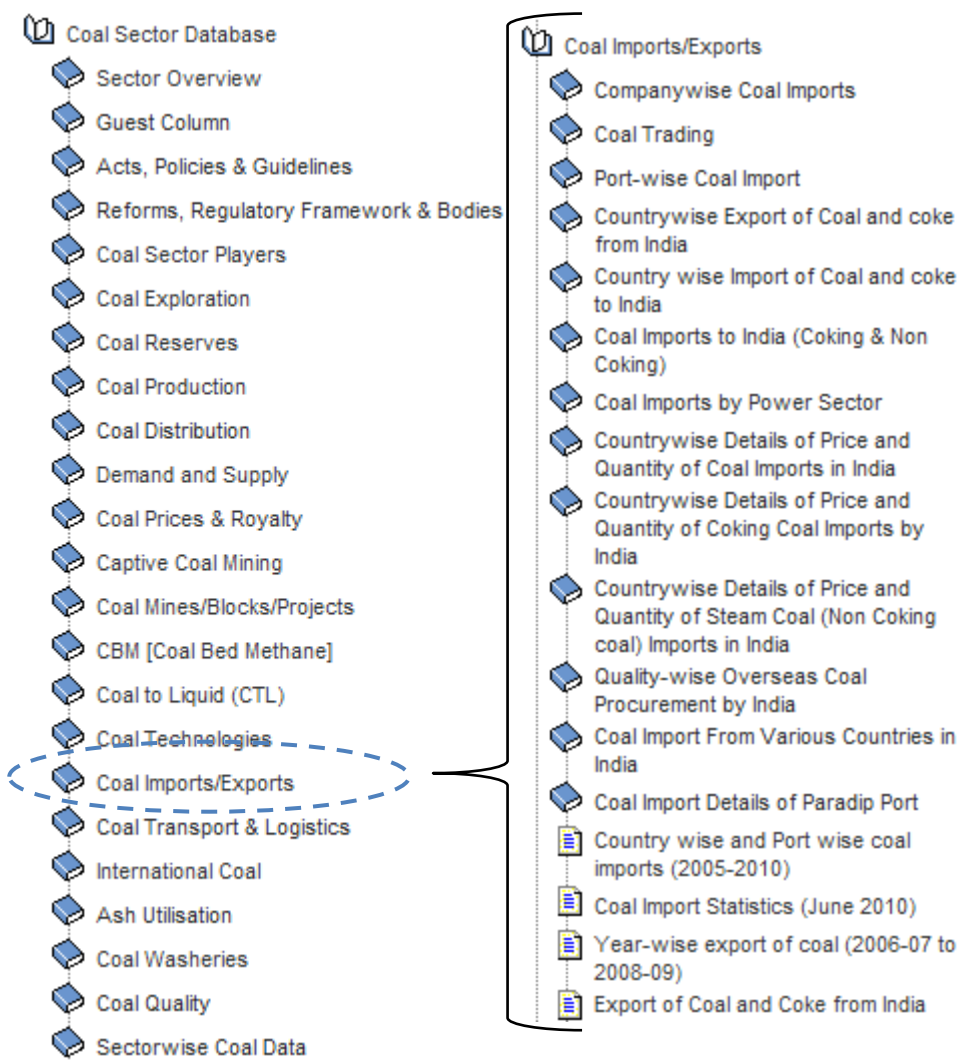

Developer	<u>Bankura DRI Mining Manufacturers Company Pvt. Ltd</u>
Mine Capacity	0.45 <u>MTPA</u>
Location	<u>Biharinath Coal Block, Raniganj Coal Field,</u> District: <u>Bankura, West Bengal</u>
Coordinates	Latitude: 23° 35' 45" to 23° 37' 35" N Longitude: 86° 56' 23" to 86° 58' 53" E
<u>Toposheet No.</u>	73 I/14 (RF 1:50,000) & 21 (RF 1:10,000)
Reserves	Geological: 95.163MT Proved: 75.604MT
Grade of Coal	B to G
Life of Mine	25 Years
Estimated Cost	<u>Rs 172.85 Crores</u>
Type of Mine	<u>UG</u>
Lease Area	1050 Ha
Number of Seam	11
Method of Mining	<u>Bord</u> and Pillar method
Manpower	1582 (1274 underground manpower and 308 surface manpower)
Production Year	August,2011

Key Regulatory Clearances:

Allocation of Coal Block	Accorded (20.02.2007)
<u>Consent to Operate from State Govt</u>	Accorded
<u>Environmental Clearance by MOEF</u>	In Process
<u>Forest Clearance by MOEF</u>	In Process

Import and Export Data for Coal

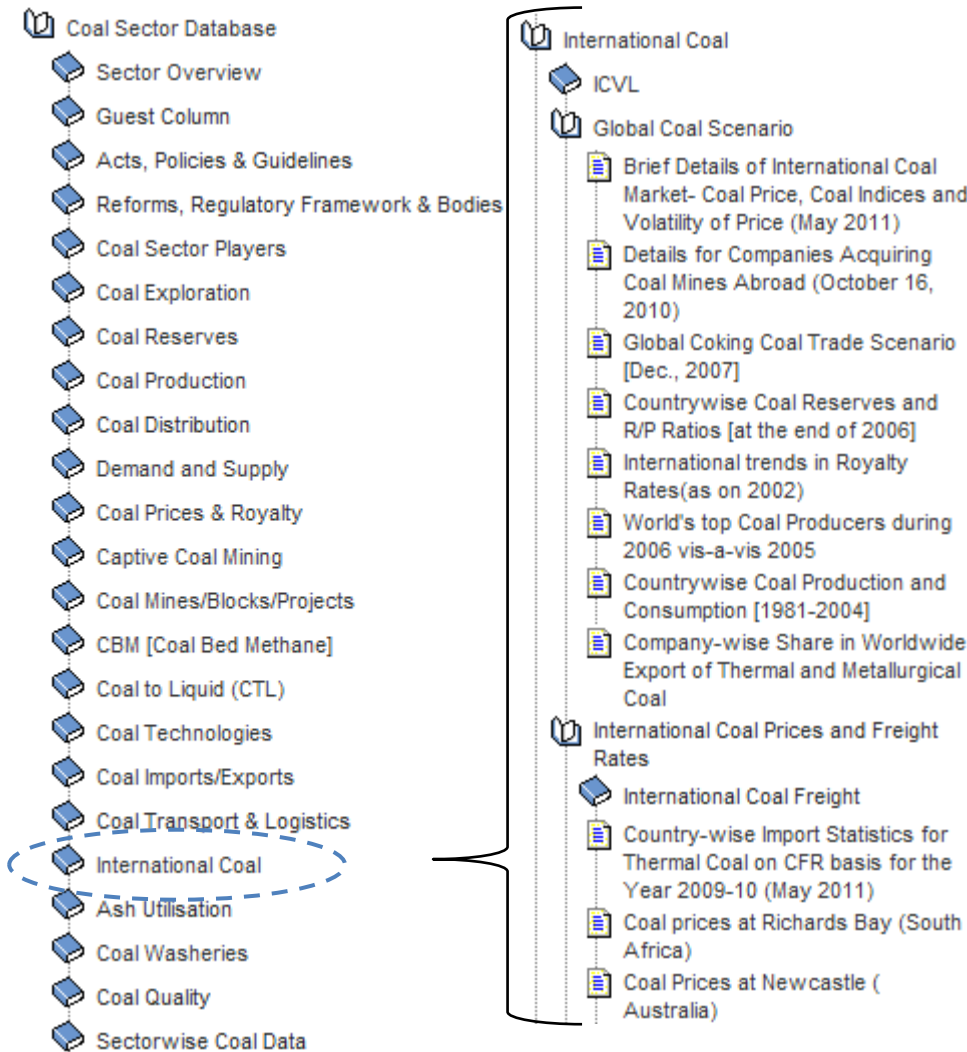

Highlights:

- Exclusive fortnightly data on company wise coal imports of coking and non-coking coal
- Trend Analysis and Projection of Coal Import
- Country wise details of Quantity and Price of Import and Export of Coal and coke
- Overseas coal procurement by India
- Port wise landed price of imported coal
- Coal Import by Power Sector
- Data on coal trading and e-auction

International Coal

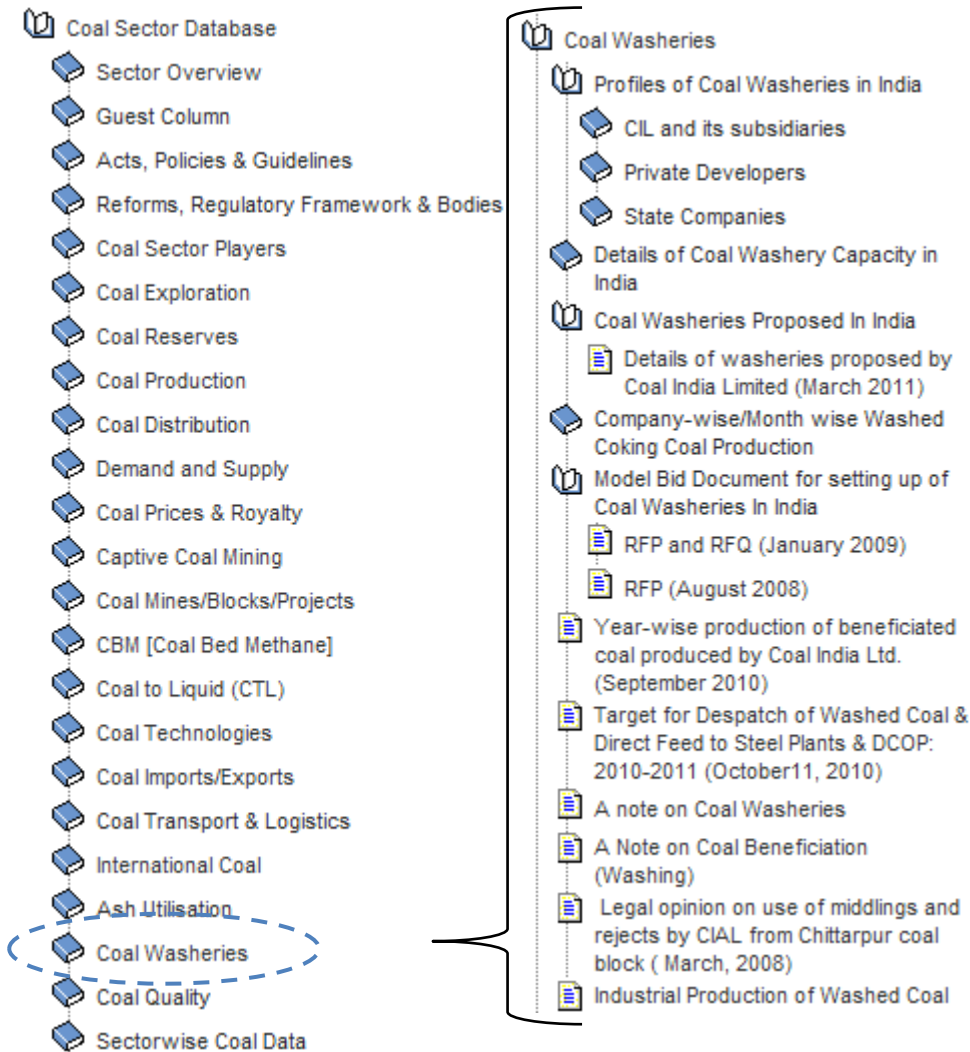

Highlights:

- Brief details of international Coal Market-Coal Price, Coal Indices and Volatility of Price
- Details of coal acquisition abroad
- Profile of ICVL and overseas operations
- International coal Prices and Freight rates
- Major Coal Exporting and Importing countries
- International coal majors

Coal Washeries

Highlights:

- Profiles of Coal Washeries in India
- Details of Coal washery capacity
- Company wise , Month wise Washed Coking Coal Production
- Model Bid Document
- Year wise production and dispatch from washeries
- Coal Benediction

Filters – How to Use

- Filters are a unique way to narrow down to your search result.
- Seven way filters – Sector, Context Type, Organization / Project names, year, Geography, Project Type and Content Type – allow to use filters in standalone or in combination with other filters.
- You can execute highly customized query. For example, you may want to chose all ‘Issues/Constraints’ [Context Type]’ related to ‘UMPP’ [Project Type] in ‘Andhra Pradesh’ [Geography] in year ‘2010-2011’ [year] related to ‘Reliance’ [Organization name]’ and so on...
- Clicking on Search results will directly take you to search item.
- Each search result has user convenient Pagination. Next page results are shown instantaneously.
