

Product Introduction

Power Knowledge Base

India's most referred Knowledge Base

Key Highlights

- India's most trusted, subscribed and referred Knowledge Base on the energy sector
- A massive Compendium of Latest Information across the Value Chain
- 80+ Real Time Updates on a weekly basis
- Archive of twelve years and 50000+ news items
- I-Search: Access India's only dedicated energy sector search engine which acts as One stop solution to your Energy Sector needs
- Highly read and subscribed 'Daily newsletter' delivered to your inbox early morning
- Gain exclusive information on topics like Status of Power Projects, Policy & Reforms, Power Sector Players, Capacity Addition, Scenario, Transmission, Distribution, Thermal, Hydro, Nuclear Power, Statistical Data on Demand & Supply, FDI etc.

How it Helps You

- Keeps you ahead of the knowledge curve with Daily/ Real time updates
- Get to know past trends and chronology of events through archive of last twelve years and 50000+ news items
- Get to read the news before your competition in our Just-In section: Up-to-minute details of sectoral developments throughout the day
- Regular periodic articles and features to give you in-depth analysis and perspective of Industry dynamics
- Benefit from the opinion and knowledge of those who shape the Industry equations through our IndustryConnect column

What's New

Typical Project Profile

1200 MW Raigarh TPP

Promoter	AES Chhattisgarh Energy Private Limited	
Location	Raigarh district, Chhattisgarh	
Installed Capacity	1,200 MW \pm 20%	
Unit configuration	-	
Type of Fuel	Domestic coal	
Fuel Requirement/Source	Domestic coal proposed to be sourced from Sayang coal block. Application for tapering linkage submitted with MoC on March 12, 2008.	
Land Requirement	700 acres	
Water Requirement/Source	33.50 million cum/year to be sourced from the Mahanadi river	
Estimated Cost	INR 6,800 Crore (excluding coal mine)	
Date of Estimate	October 2010	
Expenditure	INR 46.73 Crore	
Tariff	INR 2.75/kwh INR 2.80/kwh (1st year Levelised)	
Financial Closure	July 2013* (as of now)	
PPA	<ul style="list-style-type: none"> Capacity to be sold to various utilities and consumers on short term and long term basis as per provisions of the Electricity Act 2003 MoU signed with Power Trading Corporation (PTC) for sale of 200 MW of power on short term basis. Upto 37.5% power to be sold to CSEB on regulated tariff under the Implementation Agreement with CSEB and Government of Chhattisgarh. Letter of Comfort from CSPTCL for purchase of 37.5% of power. 	
Main Plant	-	
Power Evacuation	<ul style="list-style-type: none"> Load flow study of the evacuation system carried out by PGCIL. Application for Long Term Open Access filed with PGCIL. Request has been made to PGCIL to inter-connect our station at its proposed Dharamjaygarh sub-station. 	
Commissioning Schedule	Unit I: March 2017*	Unit II: September 2017*
Consent for establishment of plant from State Government	Available	
Environment clearance	Environment clearance from MoEF is estimated by November 2012*	
Forest Clearance	Available	
Land Acquisition	Available	
Water Allocation	Accorded by State Water Resources Utilization Committee on April 5, 2007	
Stack Height Clearance	-	
SPCB Clearance	-	

Power Projects

Highlights:

- India's only comprehensive Knowledge Base of 1000+ power projects classified according to:
 - Stage (operational, under construction, proposed)
 - Sector (central, state, private)
 - Fuel (thermal, hydro, RES)
- Coverage of details like:
 - Promoter, Location
 - Commissioning schedule
 - Financials: Cost, Expenditure, Financial Closure
 - Fuel, Land & Water Availability
 - Clearance Status

- 16: Search filters (Sector, Contexttype, Organization/Project Names, Year, Geography, Projecttype, Contenttype)

Relevant Results, Faster

The screenshot illustrates the search process in five numbered steps:

- 1**: The search bar contains the query "umpp status update".
- 2**: The search results are displayed, showing "About 10100 Search Results" and a list of items. The first item is "Status Update of various UMPPs" dated 26-Nov-2008. The second item is "Status Update for Ultra Mega Power Projects" dated 09-Jan-2007.
- 3**: A dropdown menu is open, showing options: "Everything", "News", "Database", "Store", and "Report".
- 4**: The search bar contains the query "Ntpc pl". A dropdown menu shows suggestions: "ntpc projects gujarat", "ntpc power", "ntpc Power Project", "ntpc power project 2010", "ntpc Power Project Gujarat", and "ntpc Power Project Gujarat 2010".
- 5**: A search result is displayed, titled "Updated: January 2011 Agenda for the review meeting on UMPPS". The description mentions "Updated January 2011 Agenda for the review meeting on UMPPS Sasan UMPP Land acquisition for plant and coal mines in the meeting will apprise the status on above points. Tamil Nadu Cheymr UMPP Joint hearing of EAC (MoEF) of Thermal for both...". The date "18-Jan-2011" is shown at the bottom.

1. InfraSearch™ query Box
2. Top news items related to search query
3. Option to Search only in News / Database / Store / Reports
4. Auto Search suggestions
5. Clicking on title takes to the detailed description page. Each search result followed by a brief description and the date.

Filters – How to Use

- Filters are a unique way to narrow down to your search result.
- Seven way filters – Sector, Context Type, Organization / Project names, year, Geography, Project Type and Content Type – allow to use filters in standalone or in combination with other filters.
- You can execute highly customized query. For example, you may want to chose all ‘Issues/Constraints’ [Context Type] related to ‘UMPP’ [Project Type] in ‘Andhra Pradesh’ [Geography] in year ‘2010-2011’ [year] related to ‘Reliance’ [Organization name] and so on...
- Clicking on Search results will directly take you to search item.
- Each search result has user convenient Pagination. Next page results are shown instantaneously.

Who Should Buy?

- Independent Power Plants developers
- Captive Power Plant developers
- Fuel supplying companies
- Merchant Power Developers
- Fuel Transporters
- Gas Marketers/ Suppliers
- Power Plant Operators
- Fertiliser Plant Operators
- CERC, SERCs and other regulatory bodies
- Power Traders
- Power Exchanges
- BTG Suppliers
- BoP Suppliers
- R&M Facilitators
- O&M Service Provider
- EPC Companies
- Port Authorities
- Engineering Consultants
- Power Transmission Companies
- Equity Research/Stock Broking Firms
- Power Distribution Companies
- Distribution Franchisee operators
- Financial Institutions & Project Financiers
- Investment Banks
- Consulting Firms
- Legal Firms
- Embassies & Consulates
- IT Companies
- Research & Training Institutes
- Educational Institutes

InfralineEnergy: About Us

- Infraline is India's premier independent provider of research and consulting services for energy sector professionals. The focus areas are Power, Oil and Gas, Exploration and Production, Coal and Renewable Energy.
- Products and Services include real time data analysis, presented in an unbiased manner indicating key industry trends and developments which turn are used for effective strategic decision.
- The various product offerings include
 - **Consulting and Advisory:** Services are aimed at better understanding of various risks and their mitigation, reducing the time needed to correctly assess an opportunity and supporting operational and strategic corporate decision making.
 - **Subscriptions:** A wide range of research and analysis products are available as subscription-based products that include reports on Market trends, Opportunities and ongoing areas of current / topical importance.
 - Thought Leadership through **Events and Conferences**

InfraLineEnergy: About Us

- Product Offerings are relevant for Developers, Financiers, Service Providers, Legal and Financial advisors, Academicians, Government and Regulatory Bodies, Technology Providers, etc.
- Trusted by over 400+ top tier clients over almost a decade
 - **Public Sector:** ONGC, IOC, NTPC, Coal India, BHEL, HPCL, BPCL, OIL,
 - **Developers:** Reliance Industries and Reliance ADAG groups, GMR, GVK, L&T, Adani, Alstom, Cairn, BP, EdF, ENI, Essar, ExxonMobil, GEECL, GSPC, Hazira LNG, Petronet LNG, Itochu, Lanco, Tata Group, etc.
 - **Advisors:** Amarchand, E&Y, PwC, KPMG, Rothschild, Deloitte, Luthra and Luthra, BMR, Ambit, AT Kearney, BNP Paribas, PFC Energy, IHS, McKinsey, etc.
 - **Financial Services and Advisory firms:** Morgan Stanley, JP Morgan, I-Sec, Anand Rathi, Motilal, Angel, B&K, CLSA, Crisil, BofAML, GoldmanSachs, ICRA, CARE, Kotak, etc.
 - **Banks and Fis:** Citibank, Standard Chartered, ICICI, DB, IDFC, IL&FS, SBI, Yes Bank, etc.
 - **Academic Institutions:** IIMs (Ahmedabad, Bangalore, Lucknow), ISB, IITs (Delhi, Kanpur), PDPU Gandhinagar, NPTEL
