Safer Homes, Stronger Communities

by World Bank

Best practices in post-disaster housing and community reconstruction are constantly evolving. Technology is changing how reconstruction is done, as is the frequency and severity of the disasters themselves. Reconstruction projects are increasingly focused on the need to reduce future risks by ensuring that what is rebuilt is safer and more disaster-resilient than what was there before. [read more](#)

Atlas of Global Development

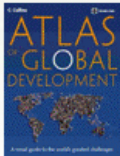

This series provides a comprehensive visual guide to the world. Using the authoritative statistics from the World Bank's World Development Indicators, it shows the world in which we live. Country comparisons show key development indicators, including economic growth, life expectancy, infant mortality, safe water, population, poverty, and energy use.

Atlas of Global Development

Author: World Bank

 [Add to favorites](#) [Share:](#)               

Published in association with Harper Collins, the Atlas of Global Development vividly illustrates the key development challenges facing our world today. Social, economic, and environmental issues that are facing the planet are presented by easy-to read, colorful world maps, tables, graphs, text and photographs. Drawing on data from the World Bank's authoritative World Development Indicators, the book brings to life country comparisons of social indicators like life expectancy, infant mortality, safe water, population, growth, poverty and energy efficiency. Issues that have been hitting the headlines such as AIDS, population living below \$1 a day, freshwater, trade are presented giving an unbiased view of the state of the world we live in. This title builds on and replaces the existing World Bank Atlas which has been published by the World Bank for almost four decades.

Advanced Search

The screenshot shows the eLIBRARY Advanced Search interface. At the top, the 'eLIBRARY' logo is on the left, and a 'SEARCH' box with a 'Go' button and a help icon (?) is on the right. Below the logo, there are links for 'HOME' and 'ADVANCED SEARCH', and a font size adjustment tool. The main heading is 'Advanced Search'. A paragraph explains search criteria: 'Enter one or more search criteria in the free text box(es) below. Boolean AND, OR and NOT are supported between terms, using the dropdown menu to the right. Use quotation marks (") to find an exact match (e.g. "financial stability"). Use asterisks to find a partial match (e.g. finance*).'

Annotations include:

- An orange callout bubble on the left says 'Multiple Search & Filter Options'.
- An orange callout bubble on the right says 'Search Tips'.
- A white callout box on the right explains the 'Topics' filter: 'Topics: Classification scheme which provides a representation of The World Bank's knowledge domains, subject areas, and areas of expertise.'

The search form includes:

- A 'SEARCH FOR:' section with a text input, a dropdown set to 'All', and a help icon (?) and a 'Clear' button.
- A 'FILTER SEARCH RESULTS BY:' section with instructions: 'Topic, Region and Country. Hold the control key to make multiple selections.'
- Three filter categories: 'TOPIC', 'REGION', and 'COUNTRY', each with a list of options and a help icon (?).
- A 'CONTENT TYPE:' section with checkboxes for 'Books', 'Journals', and 'Working papers and research publications'.
- A 'YEAR(S) OF PUBLICATION:' section with 'From' and 'to' dropdowns (set to 1970 and 2011).
- A 'SORT BY:' section with radio buttons for 'Relevance', 'Newest first', 'Oldest first', and 'Title'.

On the right sidebar, there are links for 'BROWSE BY REGION', 'BROWSE BY TOPIC', 'BROWSE BOOKS', 'BROWSE BOOK SERIES', 'BROWSE JOURNALS', and 'BROWSE WORKING PAPERS AND...'. Below these are links for 'The World Bank - IMF Library Network', 'Sign out', 'Additional sign in', 'Register as an individual user', 'Shopping Cart', and 'Event Calendar'. World Development Report 2011

by World Bank

The World Development Report 2011 on conflict, security and development will look at conflict as a challenge to economic development. It will analyze the nature, causes and development consequences of modern violence and highlight lessons learned from efforts to prevent or recover from violence. The ultimate goal of the WDR is to promote new ways of preventing or addressing violent conflict. [read more](#)
